Optional Training (not on Cloud Digital Leader certification exam)

Google Cloud GenAI Learning Materials (Benazir Fateh's section):

Step 1 (GenAI aware):

- [GenAI Skill Badge](#) (Complete 5 courses and earn a Skill Badge)

Step 2 (GenAI savvy):

Courses/Labs:

- [Intermediate: Gemini for Google Cloud Learning Path](#) (8 courses)
- [Advanced: Generative AI for Developers Learning Path](#) (11 courses)

Additional labs:

- [Build a Chat Application using the PaLM 2 API on Cloud Run](#)
- [Using Gemini in Education](#)
- [Integrate Search in Applications using Vertex AI Search](#)
- [Generative AI for Video Analytics with Vertex AI](#)
- [Summarize Text using SQL and LLMs in BigQuery ML](#)
- [Gemini Explorer Skill badge](#)

Step 3 (Beyond GenAI):

Courses (including labs):

- [Introduction to AI and Machine Learning on Google Cloud](#)
- [Launching into Machine Learning](#)
- [Tensorflow on Google Cloud](#)
- [Feature Engineering](#)

- [Machine Learning in Enterprise](#)
- [Professional Machine Learning Engineer certification](#)
